

2024 Slow Grow Challenge AKA Be a Smart Goaler 2024

Our 2024 Counter Charge Slow Grow Challenge draws on the boundless wisdom of the man who preaches the Peace of Kings, Jeremy Duvall.

- Each month you will be required to declare your *JDiddy SMART Goal* in the monthly Slow Grow challenge post in the Counter Charge Facebook Group..
- A SMART goal is one that is specific, measurable, achievable, relevant and timed.
- Declaring your goal and meeting it each month will earn you bonus points.

How to Participate.

The Challenge will commence May 1, 2024 and run for 5 months. You are to build and paint 300 points of Kings of War or Firefight per month. 2. [More interesting version (in case of a tie)]. I shall build 300 points of my Nordic themed Northern Alliance who dwell in the most southern regions of the ice realm. I shall build a horde of vicious tribesmen gathered around their feasting table celebrating a victory over Elven scum. These shall contribute to my overall 1500 points which will all be themed as being within a settlement of my larger tribe.
